Legislation Title:

AN ORDINANCE accepting funds from the Washington State Department of Social and Health Services allocated through the American Recovery and Reinvestment Act of 2009; authorizing the Mayor or his designee to execute related agreements; amending the 2009 Adopted Budget to increase appropriations for the Human Services Department; and ratifying and confirming certain prior acts; all by a three-fourths vote of the City Council.

- **Summary of the Legislation:**

This legislation authorizes the acceptance of grant funds made available through the American Recovery and Reinvestment Act of 2009 (ARRA) and increases the 2009 Adopted Budget to authorize new expenditures.

- **Background:**

The American Recovery and Reinvestment Act of 2009 has allocated \$120 million to eligible recipients to reimburse expenditures that provide employment services through the Senior Community Services Employment Program (SCSEP) and \$110 million for reimbursement of expenditures that provide nutrition services through the Senior Nutrition Program. The SCSEP funds must be used by June 30, 2010, and the Senior Nutrition Program funds are available through December 31, 2010.

The SCSEP and Senior Nutrition funds were distributed to the City of Seattle via a formula allocation and represent the share for the Area Agency on Aging for Seattle-King County, which is housed in The City of Seattle Human Services Department, Aging and Disability Services Division. The SCSEP funds will provide approximately 12 older workers with paid job training through host agencies. The nutrition funds will provide people over age 60 with meals served at congregate nutrition sites located throughout King County or delivered to the client's home. Approximately 76,000 meals will be served to 1,500 seniors. Except for the allowable administration cost of 13.3% in SCSEP and 10% in Senior Nutrition, all other funds will be contracted to outside agencies for direct services.

Office of the Mayor

June 30, 2009

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill, which accepts \$77,104 in federal stimulus funds for the Senior Community Service Employment Program (SCSEP) and \$457,583 for the Senior Nutrition Program through the state Department of Social and Health Services (DSHS). The Council Bill also increases appropriations to reflect the anticipated receipt and expenditure of these funds.

The American Recovery and Reinvestment Act (ARRA) of 2009 has allocated in a formula process \$120 million of SCSEP funds to train and employ older workers and \$110 million in Senior Meals Program funds for improving the nutritional status of elders. The employment funds are available through June 30, 2010 and the nutrition funds are available through December 31, 2010.

The City's allocation of SCSEP funds of \$77,104 and Senior Nutrition Program funds of \$457,583 will be dedicated to serving older adults through the Area Agency on Aging for Seattle-King County, which is located in the Human Services Department. ARRA funds will support the City's efforts to provide training and employment opportunities and nutritious meals, and will result in self-sufficiency for approximately 12 older workers and improved nutrition for approximately 1,557 elders.

Thank you for your consideration of this legislation. Should you have questions, please contact Selina Chow at 684-0646.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Nickels", written over the printed name and title.
